This project opens a new direction in London. The complex sets a new standard for architecture: two prismatic towers, housing 246 private apartments, rise into the sky at 28 and 33 floors. The lower levels contain 109,675 sq. ft. of high quality office space and plenty of retail space.

A Georgian terrace, a preserved warehouse façade at Earl Street and 54 Wilson Street, and a 1970s block make up the remaining parts of this 24-hour complex, which includes a boutique hotel, restaurant, collection of club lounges, bars and affordable office space.
