Dubrovnik - summer mansion from the 15th century, 560 m2 with a garden of 2800 m2, first row to the sea, located on the right bank of the Dubrovnik River.

The summer house complex with a spacious garden is surrounded by a high stone wall, which is an integral part of the original countryside. The garden areas are regulated by an orthogonal network of walkways with parapet walls and stone columns, the basic volume of a country house.

Electricity and water are connected, and sewage is located in the immediate vicinity. It is necessary to make a complete renovation of this historic property.
