Slano, a stone ruin of a house for complete renovation with a floor plan of about 70 m2, surrounded by greenery and silence in a position 100 meters from the sea with beautiful beaches.

The stone house is located on construction land with a total size of 1435 m2, in the immediate vicinity there is infrastructure (electricity and water).

Slano, as the center of the Dubrovnik Coast, is located 27 kilometers from the city of Dubrovnik, in an attractive location far enough from the city to offer peace, but close enough that all facilities are quickly accessible.
