A rare opportunity is in front of you! We are proud to present this exceptional property - a luxurious four-room apartment of 217 m² with a wonderful view of the Kvarner Bay, Opatija and Učka.

The apartment consists of a spacious entrance hall that leads to a modern kitchen with a dining room, and to a large living room with access to a beautiful and spacious terrace, hidden from view, which provides additional space for relaxation and enjoying quiet moments.

The apartment is south-oriented and has an abundance of natural light, creating a pleasant and inviting atmosphere. Excellent Porotherm - brick and thermal - plaster insulation makes summer pleasant even without the use of air conditioning, and reduces the need for heating in winter to a minimum.

The apartment was completely renovated in 2022, and boasts burglar-proof doors and top-quality interior, both furniture and equipment (Nolte kitchen, the best Bosch appliances, Credo Centra luxury sanitary ware, top-class parquet and tiles, Serta bed/mattress...). When decorating the interior, special attention was paid to every detail, resulting in a truly fantastic appearance.

Heating and cooling in the apartment is provided by a luxurious inverted Mitsubishi air conditioner, and two large bathrooms and four comfortable bedrooms provide each tenant with privacy.

The apartment has a separate entrance, staircase and driveway that it shares only with one other unit where a quiet family of three lives. It is located on the second floor of a neat building, in an excellent and quiet location - in a cul-de-sac, surrounded by family houses.

The property also comes with a spacious basement of 20 m², two parking spaces in the fenced yard, and private access to the bus interchange and free public parking for your guests.
