Peruški is an ideal place for those looking for complete peace and quiet, it is also an ideal place for recreation. The house is only 2.5 km from the beach.

The house is located on a plot of 1000 m2, living area 175 m2.

The ground floor consists of a hallway, two storage rooms, a laundry room, a toilet, a kitchen, a dining room and a living room. The meticulously thought-out floor plan ensures a lot of light and the full functionality of the living space, which is connected by large sliding walls to the covered terrace, sunbathing area and swimming pool.

Upstairs there are three bedrooms with attached bathrooms and access to a common terrace.

This beautiful house with special stone details that gives the house a special charm, surrounded by natural beauty is ideal for all those who enjoy peace, and is also excellent as an investment for tourist purposes.
