Brela, in an excellent location with a beautiful view of the sea and islands, a newly built luxury villa with a living area of 380 m2 on a plot of 740 m2 is for sale.

The building is divided into three floors, and the garden, in addition to complete privacy, offers its future owners a swimming pool, sunbathing area, space for socializing and a garden. There is a magnificent view from all floors.

The interior is divided into two residential units.

The first residential unit extends over two floors and consists of a dining room, kitchen, living room, pantry, staircase, hallway, three bedrooms with attached bathrooms and large terraces. The second residential unit, located on the last floor, consists of a staircase, kitchen, dining room, living room, toilet, pantry, and two bedrooms with attached bathrooms, as well as a semi-covered terrace. The complete interior space is maximally sunny thanks to large aluminum openings in all rooms and the living area.

Construction of the facility will begin in the end of 2024.

Brela is a romantic town in the south of Croatia that is often called the Croatian Saint-Tropez.

Unrivaled beauty - the foothills of the Biokovo mountain, together with more than 3300 hours of sunshine per year, makes Brela the most desirable holiday destination. Brela is part of the popular Makarska Riviera in Dalmatia, near the airport of the city of Split (67 km). Excellent infrastructure offer supermarkets, schools, beaches and sports facilities within walking distance or within a short drive.
