Šolta, beautiful apartment with a view in Maslinica. They consist of 3 separate apartments spread over two floors. On the first floor there are two apartments with a similar layout with a living room and kitchen in one room, bedroom and a bathroom. In the attic there is an apartment that the owners used for private purposes, and it consists of a kitchen, two rooms, a bathroom and a large terrace. All apartments were renovated in 2011 and are south facing.

There are also two parking spaces within the building.

The apartments have a well-established tourist business, while on the other hand, considering the location, they are ideal for enjoying the sea, the sun and the view of the islands. The sea is 100 meters away, but since the location is not in the center of Maslinica, it is ideal for those who want to enjoy silence and nature.

I am at your disposal for more information.
