Šibenik, Grebaštica, a house in the first row to the sea, on a 494 m2 plot, with a net floor area of 194 m2.

This house, built in the 1980s, is located next to a beautiful pebble beach with picturesque sea views from all levels.

The main facade of the property faces north, and it is separated from the main road by a concrete road approximately 100 meters long.

Parking for multiple vehicles is available in the house's yard and garage.

On the ground floor, there are two small apartments and a large terrace, with a total net floor area of 84 m2, while on the upper floor, there are two apartments with terraces used for tourist rentals, with a total net floor area of 96 m2.

The garage has an area of 15 m2.

The house is fully legal, and ownership is in order.

It is connected to the city water supply and electricity, and sewage in the area is managed through septic tanks.

The house is functional and ready for occupancy, but it requires renovation to restore its former glory and make the stay even more enjoyable.
