On the ground floor of the house there is a large apartment consisting of an entrance area, a kitchen and a dining room with access to the terrace, a living room, three bedrooms, a bathroom and a guest toilet. There is also a pool table in the living room. On the first floor of the house there are two apartments, each of which has one bedroom, bathroom, kitchen and dining room, living room, and terrace. The house also has a garage, a storage room and a basement.

In this building, the exterior carpentry is ALU, and the interior is PVC. The floors are a combination of ceramic and laminate.

In the beautifully decorated yard there is also a space for socializing by the fireplace.

What makes this house special is the view and the peaceful environment, ideal for vacation.
