Newly renovated and fully adapted luxury apartment with all new installations that extends over the entire floor in a unique location in the historic core of the city of Šibenik and which, with its elevated position in the very heart of the center and its beautiful Renaissance flower terrace, opens up a stunning view of the surroundings, charming medieval buildings, the square itself and part of the sea. The comfort of the apartment is contributed by 4 fully furnished and air-conditioned rooms with televisions and 4 separate comfortable and modern bathrooms in each room, two of which also have their own kitchenettes. The apartment is ideal for a buyer who appreciates the prestigious location of the historic center and wants the best long-term investment for himself and his family, given the rapidly growing popularity of the city of Šibenik.
