Villa Parenzo Three

This beautiful complex of houses is located on an area of 3730 m2 in the village of Kukci, in the immediate vicinity of the city of Poreč. It consists of 4 free-standing, fully furnished and equipped buildings with a view of the open sea (as the crow flies, about 2 kilometers).

Four identical houses, each built on its own plot, with modern architecture, clean lines and a very pleasant and functionally designed interior. Many design details in the villa area make the living space great for rest and relaxation.

Each of the 4 villas is equipped with the same high-quality equipment and household appliances.

The ground floor consists of an entrance hall, a staircase for access to the first floor and the roof terrace, a living room, a kitchen and a dining room, a bedroom with a separate bathroom, an additional toilet, a bathroom and a sauna, a technical room with a laundry room, a storage room and an outdoor toilet, each of which has a separate entrance.

On the first floor there is a staircase, a corridor, three bedrooms with separate bathrooms and an additional room (gym, playroom, etc.). Staircase for access to the roof terrace, where there is an outdoor bar, a sun deck and a hot tub.

In the environment there is an outdoor heated pool, a sunbathing area, a covered terrace for dining, a canopy with a summer kitchen and an uncovered terrace directly next to the pool. There is a fire pit in the lower part of the yard. In the courtyard there is also a designer outdoor shower with hot water and a floor siphon.
