The most attractive project under construction in the city!

- Modern interiors, spacious balconies and terraces with unrivaled views of the old city.
- 2-kilometer embankment surrounded by unique nature.

The project is a stylish multifunctional cultural and residential complex where you can pamper yourself every day.

The excellent location in the very center of the city makes this offer attractive both for living and for investment.

- 1 minute from the Golden Horn.
- 5 minutes from Galata Tower
- 5 minutes from Taksim
- 15 minutes from Hagia Sophia.
- 40 minutes from Istanbul airport.

The residence features 24-hour concierge services, housekeeping, food and catering, a gym, a spa and more.

This property is eligible for citizenship.
Delivery date December 2024.
