Another feature of the project is that the blocks are arranged in such a way that they do not block each other. And all apartments will be well lit from all sides. All blocks overlook the city park and the sea.

The project is built on an area of 38,000 m², with an area of 5,000 m² consisting of open social areas and green areas. All infrastructure, 24-hour reception and security service, as well as underground parking with signs are at guests' disposal. Apartment plans range from 1 to 3 bedrooms and all have large balconies with sea views.

A 360° panoramic sea view is available not only from one room, but from all your rooms. Your family will be safe with the Intercom system, CCTV and 24-hour trained security personnel. This unique project under construction is one step away from the city center, located in a comfortable location.
