New construction residential complex located in Estepona where you will find much more than a home, you will find a beautiful garden where you can extend your home. The complex is made up of 106 multi-family homes with 2 and 3 bedrooms with underground parking space and storage room. Within the large common areas we find a large number of plant species that surround the pool, as well as a gym, outdoor meditation area, spa, community room with co-working, beach volleyball court, children's area and putting green.

All these common uses, together with the prominence of the gardens with palm trees, an area of citrus trees and aromatic plants, as well as paths to cross these green areas, make this development the perfect place to enjoy the climate, nature and tranquility.
