Zadar, Center, three-room apartment with sea view is in a great location.

The apartment consists of a spacious entrance area and hallway, two large bedrooms, bathroom, guest toilet, kitchen, dining room and living room, and a loggia with a beautiful view of the sea and the bridge of the city of Zadar.

It is located on the third floor of a residential building with an elevator.

In the hallway there is a large built-in wardrobe made to measure.

What makes this apartment special is the antique furniture in the living room and art pieces throughout the apartment. In addition to wardrobes and beds, each room also has a place for a workspace. The apartment is fully equipped and ready to move into. The layout of the apartment allows different organization of rooms.

The location of the apartment is ideal, only a bridge separates it from the city center, and nearby there are absolutely all facilities necessary for everyday life (banks, shops, schools, kindergartens, pharmacies, restaurants, pumps...), and there is also a very good transport connection with to all parts of the city.

The apartment also has a woodshed, and the parking space is public.

This property is ideal for living, but also an excellent investment for all those who want to engage in tourism.
