A reference and luxury residential complex located in the center of Göktürk, one of the most fashionable areas of Istanbul. This project offers a range of spacious and stylish apartments and villas with high quality finishes and amenities.

The development is notable for being within walking distance of a wide range of local amenities such as shops, restaurants, cafes and schools. It is also conveniently located for easy access to the rest of Istanbul by public transport.

Located in a rapidly developing area, property prices are expected to continue to rise in the coming years. High quality construction: buildings are built to the highest standards using high quality materials. This means your property will be durable and require little maintenance.
