We are combining the best of contemporary design with the history of this iconic area of the city to create an outstanding new neighbourhood... This project is the next phase of an already existing and highly successful regeneration project that was first launched in 2011.

The project has a far-reaching impact: it has transformed this part of Portobello Road, creating new stylish homes, space for new shops, cafes and restaurants, and a more integrated area, allowing the development to fit seamlessly into an already creative and vibrant area.
