The project, which is among the housing projects of Üsküdar, offers luxurious finishes. A project where you will have a wonderful view with its unique location offers you a comfortable life. The project, in which you will find a living experience, will gain confidence and peace, rises on a plot of land with an area of 24 thousand square meters. The project includes a total of 76 luxury apartments. You will benefit from a central location and modern architecture in a luxury project consisting of 7 blocks.

The project also provides for a camera security system, which employs 24-hour security officers. This way, you can spend every minute with your loved ones in safety and peace of mind. The project, which allows for sports, also includes many options, such as a sports center, basketball court, walking path, fitness center. With a project that also includes indoor and outdoor swimming pools, you can enjoy swimming at any time of the year. Has many perks such as dry cleaning, cafe, doorman, multi-purpose room, generator, garage and reception.
