Zadar, Žmirići, house on three floors in a quiet neighborhood.

There are two furnished apartments with one bedroom on the ground floor, and one spacious apartment with three bedrooms and a sea view on the first floor. The attic is not furnished, and the top floor offers a wonderful view.

The house was built in 1995 and is very well maintained, and the last renovation was two years ago.

The yard is spacious and beautifully decorated. The house can be reached from two sides, that is, it has access from two streets.

This house is great for a family, but also good as an investment for all those who want to engage in tourism.

Ownership in order.

More information on request.
