4 bedroom apartment with 4 suites facing the east / south / west front to the pool / garden and Monsanto view with 2 parking spaces and 2 storage rooms, in a new development that will be born next to the Plaza de España. A condominium with garden, swimming pool, gym, multipurpose room and bicycle park for your family to enjoy the highest quality of life in the heart of the city. A 10-storey building with panoramic views of the city of Lisbon, consisting of 140 apartments with typologies T1 to T4 and Penthouses T3 and T4 with private rooftop pools. In a strategic location, minutes from anywhere in the city, and close to some of the most prestigious universities and hospitals in Lisbon, this in the development is an excellent investment opportunity. A modern architecture project, innovative and sustainable construction. All apartments were designed with the best use of the space in mind, with large balconies, parking, storage and bicycle park. With the virtual concierge solution and smart delivery mailboxes you can receive, return and send almost everything as maximum security and convenience via your mobile phone. It has 24/7 security and video surveillance system.!
