Start a journey through the characteristic historical part of Funchal and let yourself be captivated by the beautiful narrow cobble streets, the facades of the old houses and enjoy the different paintings on each street door. Picturesque and unique place, is the Old Town of Funchal, full of history since the beginning of colonization. It maintains great architectural value. It is here on one of these streets that you will find this emblematic bakery of its own manufacture in all kinds of bread and pastry. It is very popular among Madeirans and all those who visit us. It differs from all other businesses in the city as this is the only place with 24/7 opening licenses. Possibility of renting the 2 bakeries for € 5000 monthly each.
