Fantastic 3 bedroom villa located in Santa Maria Maior in Funchal. It is a fully renovated villa with great taste and high quality materials. Its location is perfect! It is situated in a quiet street and yet close to the city centre, the beach and all kinds of services and shops. It also has a privileged view to watch the majestic pyrotechnic spectacle of the end of the year in Madeira. Very convenient villa for those who have pets, since it has yard around the house. It also has a small garden and a very large garage. The first floor has a living room, kitchen, 2 bedrooms, bathroom with bathtub and laundry. The attic, with independent entrance, has been transformed into a studio with kitchenette, bathroom with shower, large living room and a balcony that is the icing on the cake! This space has great potential for rent. This villa is in magnificent habitable conditions, so you can move immediately. Do not miss this opportunity and book your visit now!
