Individual house in an elite residential complex

Bulgaria, Burgas

Price:	€ 307 890
Object type	House
Year built	2024
Bedrooms	3
Number of rooms	4
Area	151 m2
Category	For sale

A new two-storey detached house in the elite residential complex in St. Vlas. The complex is built in an area on the coast surrounded by a forest. The architectural style of the complex recreates the old Bulgarian traditions and national spirit. Typical materials and accessories of that time are used. The first floor of the houses is lined with stone. The second floor is covered with mineral plaster and coated with wood. All materials are environmentally friendly and are certified of the highest class. The appearance of the complex is in perfect harmony with the surrounding nature. The complex is located on a hillside from north to south, which allows you to enjoy from the territory of the complex and each home a magnificent panoramic view of the sea and the forest. The complex will consist of individual houses, townhouses, houses linear building, as well as an apart-hotel and a chapel. Also on the territory will be equipped with two tennis courts and a swimming pool. It is envisaged to build a variety of common areas to meet the needs of the complex and conducive to an excellent holiday. The houses will be finished in a stage "Turn Key" and unfurnished. The offered house has a size of 150.90m2 with a living room with a kitchen, three bedrooms, three bathrooms, a toilet and a veranda.
