Northern Cyprus, Kyrenia

Price:	€ 321 564
Object type	Twin Houses
Market	New building
Quarter of finishing:	Q2
Year of finishing:	2026
Land area	125 m2
Category	For sale

Townhouse in a wonderful complex on the first line by the sea, which is located in the most developing area with views of the sea and mountains. In this area it is planned to build the most popular school in Northern Cyprus "Near East" with the English education system. In this area, the government is trying to preserve nature and gives only 60% of the territory for development and leaves 40% for green zone.
