We have for sale a project of residential buildings located in the Municipality of Medulin.

The project consists of two residential buildings, each of which contains 3 residential units, parking garages on the basement level, and outdoor parking spaces on the ground floor. The buildings are of one volume, raised ground floor + 2 floors and one basement floor.

Each building contains its own outdoor, heated pool. The pools will be lined with high-quality mosaics and illuminated by wall lighting.

Apartment A2 is located on the first floor of the building and has a total area of 133.36 m2. It consists of an entrance hall, a living room with a kitchen and dining room located in an open space concept, and three bedrooms each with its bathroom, guest toilet, laundry room, and covered terrace. The apartment has one outdoor parking space and one parking space in the garage.

The apartments will be equipped with top-quality equipment from renowned domestic and foreign manufacturers. First-class three-layer oak parquet and first-class Italian ceramic tiles of larger dimensions will be installed.

Underfloor heating in the entire apartment, as well as hot water, will be regulated via a heat pump. All rooms will be air-conditioned (living room and all bedrooms).

At this stage, the customer has the option of choosing ceramic tiles.

The investor also offers the option of arranging and furnishing the apartments as shown in the pictures, with an additional charge.
