The house on the island of Krk, in the town of Čižići, represents a real oasis of luxury and comfort. This property has impressive features that make it unique and desirable.

It consists of three separate apartments, which is excellent for families looking for privacy or as an opportunity to rent one or more apartments, which provides flexibility in the use of space.

This exclusive property offers everything you need for a relaxing and luxurious life at sea.

Main features:

Solar power plant: This house is equipped with a solar power plant, which allows you to generate your own electricity from sunlight, reducing energy costs.

Underfloor heating and heat pump Wissman: Enjoy a comfortable temperature all year round with these efficient heating and cooling systems.

Wellness oasis: The house has an indoor pool measuring 10x4.5 meters with heated salt water, perfect for relaxation. In addition, there is also a Finnish sauna, an infrared sauna and a hot tub with thermal water for a complete wellness experience.

Additional amenities: Including a garage, wine cellar and ventilated engine room, this home provides additional space and functionality.

In order to enjoy the fresh air as much as possible, the house has its own outdoor kitchen, which is a great
