This complex is an elegant Mediterranean development offering contemporary apartments and houses in beautifully landscaped grounds. Located in the heart of Kato Pafos, it enjoys an exceptionally convenient location that places a wealth of amenities, attractions and experiences on your doorstep. The architecture has a distinctly Cypriot feel due to elements such as natural stone, terracotta roofs and large private terraces and gardens, which are ideal for enjoying al fresco Mediterranean living! Small blocks of semi-detached houses ensure a sense of openness while enabling extensive green buffers and pathways that give the development a park like feel. Additionally, this design style ensures that properties blend with the natural surroundings while providing residents with optimal natural light and views. The properties encircle a 330sqm communal courtyard and gardens, complete with large residents swimming pool. It provides an oasis of calm to enjoy a refreshing dip or soak up some sun, while poolside changing facilities provide a little extra convenience. The architect has utilised the plots gentle gradient to ensure all apartments on the first to fourth floor enjoy beautiful sea views. What's more, almost all properties are south facing!
