One of the most beautiful stone houses located along one of the enchanting ancient streets of the Old Town and just a few moments from the beautiful harbor and the crystal blue sea.

The house consists of 4 floors and each floor has its own luxuriously equipped apartment, which consists of a bedroom, bathroom, kitchen and living room, but there is also the possibility of combining them into a unique whole.

The ground floor being the heart of the house, with full kitchen with all Bosch appliances etc and can be it's own studio apartment also.

The apartment on the first floor seems soothing but glamorous; natural stone and wood are thoughtfully combined with bedding in soft tones; deep burnished gold is accented with subtle mood lighting.

The apartment on the second floor seems magical and luxurious. Forest greens and blue colors blend beautifully with the natural stone of the house; thoughtful lighting reminds of a natural sanctuary.

The apartment on the top floor has its own private roof terrace from which you can admire the famous sunsets in the Old Town, while drinking a chilled glass of local wine.

Located in the historic town of Stari Grad on Hvar, just a few steps from the hustle and bustle of the waterfront, local bars and restaurants, a uniquely designed, beautifully renovated house built of stone, is sold complete with all the furniture that is in the house itself.
