The residential complex features more than 250 furnished premium apartments. The windows offer beautiful views of Burj Khalifa and Dubai Canal. On site there is a gym, a swimming pool with comfortable sun loungers, a sauna, a solarium, a garden, as well as several shops and restaurants. Indoor parking for 371 cars is provided for residents. Residents of the complex can count on amenities such as high-speed elevators, a 24-hour security system with CCTV cameras, and concierge services.

The project is conveniently located in close proximity to Dubai's main attractions - Burj Khalifa and The Dubai Mall. Bus stops and metro stations are within walking distance from the apartments.

These apartments are located on the 7th floor, the windows overlook the canal. The layout includes a spacious living room combined with kitchen and dining areas, 2 bedrooms, 2 bathrooms and a guest bathroom.
