Zadar, Murvica, spectacular stone villa with an area of 360 m2 located on a plot of 7800 m2 with a beautiful fenced garden with a large lawn, olive trees and palm trees, which, in addition to the construction style and materials, radiate a Mediterranean atmosphere and style.

The surroundings are dominated by a tennis court and a heated swimming pool with a large sunbathing area and a traditional barbecue as an ideal space for socializing and organizing larger parties. Covered table tennis table with sauna and gym presents an impressive range of sports and well-being facilities. The orientation of the house's exterior spaces and architecture, in addition to connecting all zones, also provides a complete sense of privacy, enhanced by the more than sumptuous size of the garden.

The interior space represents a successful combination of rustic Dalmatian and modern minimalist style, so the house exudes elegance and warmth.

On the ground floor there is a fully equipped kitchen, a dining room, and a living room, which together with the pool table creates a great space for cooking and socializing. On the ground floor there is also a storage room, a laundry room, a toilet and a sauna. The bedroom is special in that it has its own exit to the yard and a large wardrobe.

There are 4 spacious and modern bedrooms on the first floor. The two rooms are located in the central part and have a large shared bathroom, which is specific in that the part where the sinks are completely glazed so that you can enjoy the beautiful view.

The other two and larger bedrooms are located at the ends of the house and each has its own bathroom, providing privacy and comfort. All four rooms have access to a large terrace with deckchairs, while the main
