This is a luxurious skyscraper with futuristic facades and private pools right on the terraces. The new project from Dubai's premium developer is a masterpiece of design with flowing curves and avant-garde charm, standing out against the Dubai skyline and offering panoramic views of the Palm Jumeirah. There are luxury 1-2 bedroom apartments to choose from or ultra-luxury 3 to 5 bedroom apartments.

Fusing an urban pulse with island tranquility, Casa is the perfect blend of city and island living. The tower is elegantly located between the tourist destination of Dubai Marina and the famous Palm Island. The area has developed infrastructure, head offices of top international companies, a large selection of restaurants, schools, clinics, private beaches with beautiful views.

The apartments are offered with designer renovation, built-in kitchen appliances and premium plumbing. Advantages of the project: outdoor swimming pools and a large infinity pool on the roof, an aquarium, a gym, a luxurious spa area with a sauna and hammam, lounge areas, a clubhouse, children's playgrounds and much more.

These apartments are located on the 17th floor, a comfortable and convenient layout includes a spacious living room with a kitchen area, three master bedrooms, a storage room and a guest bathroom, as well as a spacious terrace overlooking Palma.
