Project was implemented on Dogan Arasli Boulevard, one of the most important axes of Esenyurt. The project was built in the form of blocks suitable for horizontal architecture ranging from two to seven floors. In the project, which offers attractive opportunities for both the audience and the investor, F blocks appeal to the prestige audience, A and D blocks to the young audience, and B and C blocks to the families.

Project will be the new center of life with its 1700 apartments, 125 commercial units, and 35.000 m2 landscape and social area on 230.000 m2 land.

The project includes 1 bedroom + 0 living room, 1 bedroom + 1 living room, 2 bedrooms + 1 living room, 3,5 bedrooms + 1 living room and 4,5 bedrooms + 1 living room apartments. The sizes of the houses in the Project are offered to the home buyers in a range of 41 square meters to 228 square meters.

Everything social life needs is waiting for you in Project. With a full fitness room, 1000 m2 children's playground, cafe and restaurant, hobby garden, art gallery, and many other privileges, life is unique in Project.
