Project is a unique reinterpretation of modern mansion life, blending contemporary architecture with original designs such as a curved roof, wide eaves and bay windows unique to traditional Turkish architecture. All colors of life at home with views.

its first major housing project in Çengelköy, one of the most popular districts of Istanbul. The luxury living project Project, which is planned in accordance with family life, comes to life in the center of Çengelköy on an area of 6 thousand square meters. The Project, which is planned in accordance with the family life and has 75 apartments, is rising with 5 blocks and with low-rise architecture. The apartment types consist of 2 + 1, 3 + 1, 4 + 1 and roof and garden duplexes.

85 percent of the project with a view of the Bosphorus was allocated to a green area and the site was planned to be no vehicle entry. Project also attracts attention with its location and transportation facilities.

Social Facilites

Project, which has come to life as an exemplary project with its various social facilities, sports fields and wide landscaping, has cafes, 2 indoor swimming pools, sauna-SPA, children's playgrounds, indoor children's playground, sightseeing areas, indoor parking lot, 7/24 security, such as services and facilities in the host. You will enjoy your life while experiencing unique comfort. In addition, special care has been taken to protect privacy with its pleasant gardens created between the blocks.
