Project is rising on an 896,362-square meter land with different sized villas ranging from 152 to 396 square meters. There are 509 houses in the first stage of the project, all of which vary between 2+1, 3+1, 4+1, and 5+1 types.

Project is a unique project located in a green and natural area in Istanbul's Black Sea coast Riva, where you can make friends, inspire by the beauties around you, experience something new every day, and be happy with your loved ones.

Project invites you to live in the most natural dream of the city with its detached villas, permaculture and arable agriculture land, lagoon, beach, biological lake, workshops, and a life that cares for all living creatures.

Project is at an equal distance from all three airports. It is 6 kilometers away from the belt highway and 15-minute away from the FSM Bridge. The project is also at an advantageous location in terms of its proximity to the Third Bridge and Northern Freeway.

The hospitals around the project include Riva Health Care Center, Riva Family Health Center, Beykoz No 5 First Aid Station, Kartal Koşuyolu Training and Research Hospital, and Alpha Therapy Riva. The project is also close to TFF Meral-Celal Aras Sports Highschool, Oramiral Vural Bayazit Middle School, Beykoz Education and Practice Center, Temas Children's Summer Camp, İrfan Kaynak Elementary School and Kindergarten, Firuzbey Elementary School, Ayetullah Keser Elementary School, and Anadolu Feneri Private Education and Business Practice School.

Project's social facilities include swimming pools, sauna, fitness center, security, forest view, pond, parking garage, and tennis court.
