Project reveals a mesmerizingly blue life before your eyes with its seaside housing options. Located on the coastal part of Maltepe at the center of Istanbul, the project comes with an affordable house loan plan.

Taking its place among the housing projects on the Anatolian Side of Istanbul, Project comes up with alternatives ranging from minimal 1+1 to 5+1 duplex houses for crowded families. Duplex houses in this project come with spacious terraces so you can enjoy the sea and Prince's Islands on your terrace anytime during the day. Get ready for a peerless visual feast of blue.

Project comes with an affordable housing loan and varying payment options for your convenience. Multiple housing options offer you many alternatives and you not only become a house owner but also have an opportunity of a valuable investment as the sea view with Princes' Islands scenery will always protect its value in the long term. The project is located in the Yalı neighborhood, which is the most popular area of Maltepe. Reserve your place in this profitable project and own a house of high investment value!

There are many social facility areas for you to socialize in Project. You will step into a peaceful life in an estate protected by security experts for 24 hours. This state-of-the-art estate has 75% of green areas, an open pool, a children's pool, multifunctional sports area, hobby lounge, Turkish bath, sauna and much more for your pleasure. You don't have to worry about a parking spot as you will have a vast parking area for you and your visitors' cars. Get ready for a project that ticks all the boxes for you.

The project offers you luxury houses at the heart of Istanbul. While enjoying the beautiful scenery of Marmara from your terrace decorated with flowers, you will be in touch with life. Combining green and blue in its spacious areas, you will fall in love with this colorful project.

Right here, you have a project at the center of Maltepe that stands out from many others. You have an advanced transportation network at your disposal where you can travel by air, land or sea. You are at walking distance from the sea and 5 minutes away from E-5 highway while TEM highway, Maltepe coastal road, Bağdat
