A luxurious and lively home awaits you in Beyoğlu, the cultural, historical, entertainment, artistic and social center of Istanbul. With its palaces, mosques, museums, theatres, and passages full of history, Beyoğlu embodies a 24-hour-living Istanbul spirit with its culture. If you also have Istanbul in your soul, live your life in Project.

Located in the old land of Bilgi University, Project was built on an area of 6,610 square meters with modular architectural technique. It has a total of 221 independent units and 4 commercial units, including 1+0, 1+1, 2+1 apartments and penthouses.

Providing you with all the social facilities of Beyoğlu, Project does not neglect to offer its privileges. You will be able to stay fit for four seasons with the indoor swimming pool and gym. Besides, you will be able to relieve the stress of the day and refresh your soul with the sauna and steam room.
