Would you like to experience the ideal Istanbul functionally and comfortably in the heart of the Anatolian side?

In Fikirtepe, the rapidly developing center of the Anatolian side of Istanbul, an exceptional project is rising, planned down to the smallest detail for you to live with pleasure. Project is in the city center with its location allowing you to easily reach bridges, airports, public transportation options and Kadıköy, one of the most important districts of Istanbul. Moreover, it offers you a calm and peaceful living space created by the effective and correct use of land, energy and water, where you can see the sea from your window. Project consists of 3 towers, each with 23 floors, on 2 islands built on a total area of 26,000 m<sup>2</sup>. In addition to the outdoor and indoor swimming pools belonging to each tower, a joyful life awaits you with fitness, spa, steam rooms, walking tracks, children's playgrounds and shopping opportunities allowing you to meet your every need without going away from your home. At Project, your connection with both the city and nature will never be broken.

You can be a part of the changing Fikirtepe lifestyle in Project. With its exclusive stores suitable for every need, wide and spacious living areas, indoor and outdoor swimming pools, Project not only changes the lifestyle of its owners but also improves the evolving Fikirtepe.

You can find everything you need in and around Project. Shopping opportunities from clothing to food in the market area await you on Mandıra Street.

Project presents a living space where families can spend time together safely. It provides a peaceful and safe life where your whole family can spend their days with pleasure thanks to its walking areas, playgrounds, parking lots and concierge services.
