The unique feeling of enjoying the view of the Prince Islands and the delight of waking up every morning staring at the endless blue await you in Kartal, the Anatolian Side district that is rising in value every day. Kartal continues to be a key attraction spot for investors, standing out as one of the city's largest business and life areas. With its ideal location and landscape, Project will provide a pleasant and vibrant life for your business, family, and yourself.

The project, which consists of residences and offices, creates a carefully-planned living center with its modern architecture and greenery. Your joy and health will always be assured with its outdoor pool, social facilities, spacious parking lot, and high-quality security crew. You won't have to travel far to find what you're looking for. Project is here to make your dreams come true!
