You can't get enough of the convenience of living on the E5 in this project which overlooks the blue beauty of the Marmara Sea in the Beylikdüzü region, on the European side of Istanbul. You can always find everything you need in your home, with a high investment value, thanks to its proximity to the Metrobus stop.

Project's A Block is divided into 1+1 and 2+1 home office apartments; B Block is divided into 2+1 and 3+1 residences, covering a total area of 35,100 m². There are only commercial offices in Block C, which is in the center of the structure. Thus, it not only creates the ideal home for you and your family but also offers a unique concept to customers seeking to make considerable investments in a dynamic business district in Istanbul.

Even if you are not in the hustle and bustle of Istanbul, you will be able to reach everything you need within a short distance at Project, which is surrounded by large shopping centers such as Marmara Park and Perlevista. Furthermore, due to its proximity to several hospitals, you will not be cut off from your basic needs.

This project will be protected by high-level security services, and you can entrust your family and home with peace of mind. It will be very easy to live healthy with facilities such as a gym, sauna, indoor swimming pool, and Turkish Bath.
