Project has been designed to let you utilise all means and facilities of the city and make your life easier. Putting modern luxury and urban lifestyle at its core, Project has everything to offer. On the one hand, it creates a unique world for you and on the other hand, it brings the city life on your doorstep. Project comprises 2 housing blocks and 1 commercial block.

When you want to leave behind the stress of everyday life and unwind, you can benefit from the swimming pool on 15th floor having panoramic Istanbul view, fitness centre and cafe. Project offers you an exceptional living environment by utilising all the benefits and facilities of the city.

Leave behind the overwhelming thought of long driving distances that comes automatically with busy city life. Because, Project gives you access to all beauties of Istanbul with it's special location. Project only 5 minutes away from Levent and Mecidiyeköy. Also, you will catch the tempo of life with the new subway station which will be operational by the end of 2017, aiming to reduce the distance between Mecidiyeköy and Mahmutbey to 20 minutes and neighbor to Axis Shopping Mall.
