Exterior flat with balconies, located in Chamberí. It has been renovated with high quality. In the neighborhood of Almagro, in one of its most emblematic and beautiful streets, we find this apartment in a beautiful classic building with balconies overlooking the street and a spacious entrance hall with high ceilings and elegant and well-kept common areas. The property is located on a second exterior floor and has been completely renovated with magnificent qualities and special attention to detail. Its 105 m² are distributed in a day area consisting of a large bright living room with large windows overlooking the street Modesto Lafuente. Opposite the living room is the semi-integrated kitchen, modern design, functional and fully equipped with all high-end appliances. The night area has 3 bedrooms with fitted closets, the main bedroom being exterior and with en suite bathroom. The house also has a second independent bathroom. The house has air conditioning and gas heating. The building has a doorman and elevator. It is undoubtedly a fantastic opportunity to live in a beautiful renovated house, brand new in an excellent location, surrounded by restaurants, stores and services and connected with several metro and bus lines.
