Cyprus, Paphos

Price:	€ 1 750 000
Object type	House
House type	New project
Market	New building
Year of finishing:	2021
Bedrooms	4
Land area	685 m2
Area	335 m2
Category	For sale

This unique 4 bedroom villa is spread over a 685m2 plot where you can meticulously design your perfect landscaped garden to your exact imagination. The extensive outdoor covered entertainment area is designed around a mosaic tiled swimming pool with a special emphasis given on living an exceptional outdoor life style with those that you hold dear to you. Upon entering this villa you are welcomed with a large open plan living, dining and kitchen area boasting the finest granite floor tiles throughout with a separate en suite bedroom that opens directly onto a covered veranda and the rest of the garden. The first floor has 3 spacious bedrooms that share another separate living room area. The master bedroom enjoys its own walk in cupboard/dressing room and is fitted with an en suite his and her bathroom. An uninterrupted view of the sea is the order of the day from the master bedroom's own private patio. 335m2 of total living space understandingly gives you the right to live in extreme comfort and on your own terms. This ultimate address is in a private and secured gated community with its own luscious landscaped gardens.
