Cyprus, Paphos

Price:	€ 2 020 000
Object type	House
House type	New project
Market	Resale
Year of finishing:	2021
Bedrooms	4
Land area	618 m2
Area	380 m2
Category	For sale

This unique 4 bedroom villa is spread over a 618m2 plot where you can meticulously design your perfect landscaped garden to your exact imagination. The massive outdoor covered entertainment area is designed around a mosaic tiled swimming pool with special emphasis given on living an exceptional outdoor life style with those that you hold close to you. Upon entering this villa, you are welcomed with a large open plan living, dining and kitchen area boasting the finest granite floor tiles throughout, with a separate en suite bedroom that opens directly into the garden. The first floor has 3 spacious bedrooms that share another separate living room area. The master bedroom enjoys its own walk in cupboard/dressing and is fitted with en suite his and her bathroom. Uninterrupted views of the sea is the order of the day from the master bedrooms own private patio. The space on the private roof terrace allows you comfortably entertain your guests which sets the perfect aperture for the most glorious sunsets with sea being a mere stone's throw away. 380m2 of total living space understandingly gives you the right to live in extreme comfort and on your own terms. This ultimate address is a private gated community with its own landscaped gardens.
