Situated in an exceptional location, this two-storey villa offers a distinctive layout for an exclusive retreat. The entire first floor is dedicated to the master bedroom, ensuring complete privacy. An en-suite bathroom and terrace add to the experience, offering breathtaking views of the sea and distant horizon - an idyllic setting created for a tranquil holiday. The ground floor of the villa adopts an L-shaped design, strategically balancing openness and seclusion. In one section, two additional bedrooms have en-suite bathrooms and direct access to the terrace. In the other section, the kitchen is seamlessly integrated into the living and dining room, with a glass wall that offers uninterrupted sea views. This innovative design allows the wall to be pushed aside, creating an open, borderless space where the indoors and outdoors merge seamlessly. Outside, a Mediterranean garden surrounds a panoramic swimming pool with crystal-clear water - the perfect retreat to unwind and escape the daily grind. The interplay of light, space and design creates a dreamlike ambience that transports you to a realm of serenity and well-being. This luxury villa on the northern Costa Blanca is a true gem that promises to captivate and provide a unique, unforgettable experience.
