This villa is located in a luxury urbanization in Javea and has 3 bedrooms and 3 bathrooms. The property features a private pool and garden, which can be customized to your preferences. The villas have been integrated with the utmost respect for the environment, using materials of the highest quality. The residential complex has 23 plots with different orientations, so you can choose the one that best suits your needs. All villas are designed with an architecture suitable for today's lifestyle, which contrasts with its traditional, noble and quality materials, such as Tosca stone or similar material, which give the villas more warmth and personality. In addition, the villas are fully adaptable to your preferences. There are 4 basic villa models, all fully modelable according to your needs, so you can create the villa you want to live in: one or two floors, with more day or night areas, with all the bedrooms and extra rooms you need, garage spaces, swimming pool, garden, etc. Adapt, add, incorporate, integrate, expand, add, remove, separate, distribute, conceptualize and create according to your needs. The residential complex offers total security and is located 7 minutes from the Arenal beach with all the services such as supermarkets, restaurants, schools, pharmacy, tennis clubs, sea clubs, etc. Javea has 320 days of sunshine a year. Please note that the price does not include VAT.
