Large residential building, Kotor, Dobrota.

There is a ground floor, next to which there is a garage for two cars, 2 separate apartments on the ground floor with a large long covered terrace, as well as a large second floor with a huge covered terrace and sea views. Next to the house and behind it there is a large well-kept garden with automatic watering.

The house has its own water tank with pump and generator.

The house was completely reconstructed in 2006.

Total area 441 sq.m., documents 1/1.
