The apartment is located in a new project from the renowned developer Emaar, featuring stunning views of the Arch and Zabeel Palace. The project itself consists of three towers, standing at 64, 59, and 51 stories.

The building is equipped with everything for residents' convenience, including a spacious lounge, a large temperature-controlled swimming pool, a gym, barbecue areas, a children's playground, and underground parking.

Large panoramic windows create an atmosphere of openness and lightness, allowing residents to fully appreciate the beautiful views. The apartment comes with complete finishing, a built-in kitchen and fitted wardrobes.
