A unique building with modern architecture that stands out in a classic urban environment designed for 20 exclusive homes, featuring a pool, landscaped common areas, private terraces, a solarium, and a rooftop infinity pool. In a privileged location, just 130m from the beach and surrounded by all necessary services.

Each home is unique, with high-quality finishes, exteriors, and large terraces that will let natural light accompany you from sunrise to sunset. With a parking space (and the option for a second) and a storage room. Spaces designed to be lived in 365 days a year.

All homes have two bedrooms and two bathrooms, executed with excellent qualities, allowing for customization with attention to every detail.

The building also offers penthouses with a solarium and exclusive ground floors with a garden, enjoying a high degree of energy efficiency, having a building permit, and construction work already underway.
