Vis, house in a row on an attractive position, in the very center of town, a few steps from the Riva.

A complete renovation is needed. It extends over 4 floors (ground floor, 2nd floor + roof), with a total living area of 102 m2.

There is a tavern on the ground floor. On the first floor there is a hallway, a bedroom, a kitchen and a bathroom. The third floor consists of 2 bedrooms, one of which is larger, the other smaller, and both have access to the balcony. The attic is in a state of disrepair. The whole house is connected by an internal staircase

The house has 30 m2 in the common courtyard (ideal part).

Given the excellent location, close to all facilities, the house is a good investment for tourist rental, as well as a nice vacation property.

Other information on request.
