In one of Medulin's most visited tourist municipalities, a house is for sale in an attractive location, which has been brought to the almost final stage of construction. The house consists of a ground floor and a first floor with a total area of 119.94 m². The ground floor consists of an entrance hall, a storage room, a bathroom, a bedroom, and a living room with a kitchen and a dining room that provide communication with a covered terrace. An internal staircase connects the floor with a hallway, three bedrooms, three bathrooms, and a covered terrace. Two bedrooms have their bathrooms and one of the rooms communicates with the terrace.

The yard will be decorated with two parking spaces, a remote-controlled entrance gate, and enough free space.

Estimated end of works 06/2024.
